## Discovery Western Summer Camps — Grades SK–8

Our award-winning science, technology, engineering and math (STEM) day camps offer:

- Hands-on projects
- Scientific demonstrations
- LEGO® ROBO LAB™ building and programming
- Themed weeks including Just for Girls and Maker weeks

Weeklong sessions are offered during the months of July and August in London, Sarnia and Port Elgin.

## Summer Leadership Programs — Grades 9–12

Our summer leadership programs for high school students include:

- Western Engineering Summer Academy (WESA)
- Leaders in Training (LiT) Program

Weeklong sessions are offered during the months of July and August in London.
